

Group 3_ Date: 01/23/2023 Time: 11 am Duration: 30 Minutes

Present, on time: Mike Squires, Alex Escatel, Daniel Alzeidan, Hamza Ali

Present, not on time: None

Absent: None

Synopsis:

In this meeting the group talked about which project we want to pursue and generally what roles each person would like to play. We decided roughly who would focus on the front end vs who would focus on the back end. We also talked about general ideas we had for the project as well as what would be possible to accomplish in the first sprint.

Recent Individual Accomplishments:

Mike - Worked on scenario 1

Alex - Worked on scenario 1

Dan - Worked on scenario 1

Hamza - Worked on scenario 1

Current Individual Activities:

Mike - Finish scenario 1

Alex - Finish scenario 1
