Group 3   Date: 3/17/2023   Time: 8 pm   Duration: 30 Minutes

Present, on time: Mike Squires, Alex Escatel, Daniel Alzeidan, Hamza Ali

Present, not on time: None

Absent: None

Synopsis:

In this meeting we went over what everyone is working on and what the next steps are for the demo the week we come back

Recent Individual Accomplishments:

Mike - Updated style for login screen

Alex - Establish data flow and have data from database iteratively print to map

Dan - Experimented with area circles for the map.

Hamza - Making some progress on creating a more secure data collection

Current Individual Activities:

Mike - Navigation bar

Alex - Work with Hamza on database security and control flow of data

Dan - Come up with ideas to style the map page.

Hamza - Work Alex on database security and control flow of data

Individual Action Items:

Mike - Work on getting Navigation bar implemented and working

Alex - Learn some front end tactics to organize data in react.js

Dan - Test some style choices to see which looks best.

Hamza - Finish making the data collection more secure
