Group 3   Date: 3/3/2023   Time: 8 pm   Duration: 30 Minutes

Present, on time: Mike Squires, Alex Escatel, Daniel Alzeidan, Hamza Ali

Present, not on time: None

Absent: None

Synopsis:

In this meeting we communicated what the next steps of the project are and we split up the work so nobody overlaps. We also discussed ideas for the presentation and what we want to show the TA. We also discussed any blockers we had

Recent Individual Accomplishments:

Mike - Finished Scenario 2

Alex - Finished Scenario 2

Dan - Finished Scenario 2

Hamza - Finished Scenario 2

Current Individual Activities:

Mike - Come up with ideas for styling main page and do research on navigation bar

Alex - Work with Hamza on database security and control flow of data

Dan - Come up with ideas to style the map page.

Hamza - Work Alex on database security and control flow of data

Individual Action Items:

Mike - Update style for login screen

Alex - Learn some front end tactics to organize data in react.js

Dan - Test some style choices to see which looks best.

Hamza - Research on security with Arduino and try to apply that knowledge to the Arduino
